stay her in the concert hall
in the [work place] 'tween the nasty walls
the authority who says she bought it all

CHORUS:

give the girl a gun, give the girl a gun, he ain't no-one,
give the...
teach her how to kill a man
give her new laws, [proper female stand]
you expect her to trust in anyone

CHORUS

arm her with a can of mace
just to spray in- to the bastard's face
another victory she'd rather not have won

CHORUS:

give the girl a gun, give the girl a gun, he ain't no-one
(x4)
give the...
