Ahhh yes, it's just like the time  
Back in '89, they said "You'll be fine,  
Jus' suck a little dick"

And the standards are fine, i want more  
Gonna open the bargains in store  
Why the hell did they wanna sign me?  
I'm a liability  
Goodbye East West, God bless The Wildhearts  
In like Flynn  
In out in  
In like Flynn  
In like Flynn  
In out in  
In like Flynn  
In out in  
In like Flynn  
In like Flynn  
In out in  
In like Flynn

Oh no, it's that time again  
When you realise, just a bit too late  
Sounds familiar

And we do what we said we would do  
And we proved we were better than you  
Now you pick out the fence from your arse  
And you dream of popstars  
In our souls we trusted

In like Flynn  
In out in  
In like Flynn  
In like Flynn  
In out in  
In like Flynn  
In out in  
In like Flynn  
In like Flynn  
In out in  
In like Flynn

In out in  
In like Flynn  
In like Flynn  
In out in  
In like Flynn  
In out in  
In like Flynn  
In out in  
In out in  
In like Flynn
