Well I used to think that bad times lay behind me  
I used to think I'd had my share of pain  
My friends all tried to tell me I was dreaming  
But I just stood behind you all the same

So take me down and make me dirty  
Well I guess that's all I've ever been

Well I should have realised there ain't no reason  
I should have seen the writing on the wall  
The Frankenstein you tried creating  
To give you trust and I'm still waiting  
Take me as I am or not at all

The only thing I ever wanted  
Was the only thing you never gave

Ooh, I la-la-la-la-la-la love ya  
Until I don't  
Ooh, I la-la-la-la-la-la love ya  
And if it takes me all my life  
Just to get you out my head  
Well maybe I'd rather be dead

Waaaaah!

When I get hot she turns away  
I wish I'd never called to say  
Ooh yeah

Ooh, I la-la-la-la-la-la love ya  
Until I don't  
Ooh, I la-la-la-la-la-la love ya  
And if it takes me all my life  
Just to get you out my head  
Well maybe I'd rather be dead

Now honey please, now honey please  
Now honey please, now honey please  
Now honey please, now honey please  
Now honey please, now honey please

Now honey please, now honey please  
Now honey please, now honey please  
Now honey please, now honey please  
Now honey please, now honey please
