"Gee mister you got the best answering machine  
message I ever heard"

drags me round all day just like a ball  
on a chain or a tooth pain when I confess...  
I'm just a mess

do I have to take this shit from you every time I  
look your way or say "HEY! it's about time  
you show me yours and I'll show you mine"  
and I hope you can keep that turd eating grin of yours  
upon your face when you find that you're thrown to one  
side  
'cos no-one likes a rotten roller coaster ride

CHORUS:

'cos she's the kind of girl who'll take your heart  
and leave you feeling worse than you did at the start  
'cos she's a headfuck, my baby is a headfuck  
in a bygone age engaged in the passion trip  
a final score was required just to make it worthwhile  
all the patience and the wasted time

for it seems today the play [did mutate into] a movie  
scene  
where the aim is to get the best line  
crashing heads for the second time

CHORUS:

'cos she's the kind of girl who'll break your mind  
and make an easy meal of the sensitive kind  
'cos she's a headfuck, my baby is a headfuck  
(oh no... day tripper, prick teaser yeah)

(doo... wop-wop a-oo...)

so a parting word to those young unfortunates who  
cannot get to sleep 'til one little snake uncurls  
raise a glass to the Underworld!

(doo... wop-wop a...)

you can try all week and still keep on waiting  
it's a messed up, stressed out, loss situation where  
pearls

end up changing into headfuck girls

CHORUS:

'cos she's the kind of girl who'll steal your smile  
and chuck it over there on the rest of the pile  
'cos she's a headfuck, my baby is a headfuck (x3)  
headfuck me!

(head fuck (x10))

(...nice knowing...)
