passing information, now I'm waiting at the station for  
the train  
fools that threw their mouths about with nothing more  
to do than pass the blame  
seems there isn't any reason to remain, yeah  
second, third and fourth hand words their twisted lips  
spit out the same old lies  
on and on the grapevine gathers, anyone who needs  
that kind of high  
those whose tired little lies ain't worth the time, yeah

and it's shame on me, if it's all the same to you  
all the time I see someone try to put the blame on me  
passing information, now I'm waiting at the station for  
the same old train
