hey, I could be [tired, white a-my] skin is a nigger
inside
hey, look at my face, how I don't change in a satisfied
grace
yeah, [two can be elected, saying on a one thing,
getting just a-friendly]
yeah, working on a system, winning and the chance is
you already missed 'em

no-none trust me, it's tough, [...]
he's about, hate me, insane, [it's the]

CHORUS:

non-stop S.I.N. (x4)
hey, look at me now, check out my form and [I'll be a-
right out]
hey, feeling undone, chip away envy, you're working
[on one]
yeah, you could be a something, busy doing nothing,
what the fuck you learning?
yeah, get yourself a brain [there], you could be a
[scene-head], you could be a [scientist]

[once a seeing], no prob. being, [.. ..] welcome [..]

CHORUS:

non-stop S.I.N. (x8)
you could be insane, stupidly to win, or you could fit
right in, like everybody else

(hah, I even got the words wrong..) (shh..)
(i can get the... I can get the timing right then..)
