Turn the radio down
Turn the radio down, down
Vanilla Radio woah-oh

Down with the music go round
Down with the music go round, now
(Vanilla Radio) woah-oh
Vanilla Radio woah-oh
Vanilla Radio woah-oh
Vanilla Radio
You're lost in the audio
(I want my radio)
Where's my Elvis? (x8)

All that the kids will allow
All that the kids will allow now
(Vanilla Radio) woah-oh

So turn the radio down
Turn the radio down, down
Vanilla Radio woah-oh

Vanilla Radio woah-oh
Vanilla Radio woah-oh
Vanilla Radio
You're lost in the audio
(I want my radio)
Where's my Elvis? (x8)

Vanilla Radio woah-oh
Vanilla Radio woah-oh
Vanilla Radio
You're lost in the audio
(I want my radio)
Where's my Elvis? (x8)
