### Verse One

I can't explain this feeling  
Or why i feel this way  
But i know deep inside  
This feeling will always stay  
Way deep down within my heart  
I knew right then from the start  
You were the one...

### Chorus

The one to give my heart to  
The one to help me pull through  
The one to make my dreams come true  
Girl the one that i love...is you  
Is you, is you, is you...

### Verse Two

It feels like I'm in a black hole  
Your love just sucked me in  
My hear skippin' with each beat  
Loving you this much must be a sin  
You're the only one that i love  
And to be with out is a wish sent from above  
Cause you are...

### Chorus

The one to give my heart to  
The one to help me pull through  
The one to make my dreams come true  
Girl the one that i love...is you  
Is you, is you, is you...

### Bridge

Ever since the day i saw you  
I knew i had to have you  
You have a special place in my heart  
And because of this  
I wanted to hold you in my arms  
And since that dat  
When i saw your beautiful face  
You were the one...

Chorus x2

The one to give my heart to

The one to help me pull through

The one to make my dreams come true

Girl the one that i love...is you

Is you, is you, is you...

Baby I knew...

You were...

The one...
