I am searching, searching for answers
Now I'm asking: "How does it feel?"
I look back at the times that have past me
Now I'm wondering if they were real

It's hard to not have the answers
It's hard to know if I can trust
Maybe you don't give a shit about it
But I must know

I don't want to see you anymore
I want to just rest in peace
I haven't slept since you closed the door
I'm so alone, I can't take this anymore

One moment I thought I was special
But I found out that I'm just a creep
For me, you were so special
Why did you hurt me so deep?

Did you really think that I would get over you?
Did you really think that I would forget?
For me you were the one and only
We shouldn't have met

I don't want to see you anymore
I want to just rest in peace
I haven't slept since you closed the door
I'm so alone, I can't take this anymore

Anymore...

I don't want to see you anymore
I want to just rest in peace
I haven't slept since you closed the door
I'm so alone, I can't take this anymore

I don't want to see you anymore
I want to just rest in peace
I haven't slept since you closed the door
I'm so alone, I can't take this anymore

Anymore...
