I see you sitting on that bench  
You look freezing, I just wanna hold you  
But I am too shy...  
I don't know why I'm afraid

I only have to take one step  
And then sit down beside you,  
Lay my arm around you  
So you can lean on me

But I don't know if you like me  
I don't know if you want me  
Don't know if you want me to hold you  
And I don't want to make a fool of me

I see you standing outside that house  
You look lonely,  
I want to hug you...  
But I'm too afraid for that...

Maybe you'll notice when my heart beats fast  
It will jump up and down and I want it to last  
I don't want this feeling to go away...  
I hope that it will stay...

But I don't know if you like me  
I don't know if you want me  
Don't know if you want me to hold you  
And I don't want to make a fool of me

"Now or never", I tell myself  
It takes a lot of courage to do this  
But if I don't ask, I will never know  
I must know and I want to show...

... How much I love you ...
