FUCKIN' FUCKIN' FUCKIN' FUCKIN' SHIT

I'm told to waste my life working on the job

But it's my boss' life and money that I am going to rob

I don't need to be told by a corpse like you

All the things in life that I should do

It's all just fuckin' fuckin' fuckin' shit

It's all just fuckin' fuckin' fuckin' fuckin' fuckin' shit!

Try to keep me complacent by compounding your lies

But I'll be the one whose laughing when its you who
dies

Some day I'll see you bankrupt and bleeding out the
rear

When your kingdom's shattered and you've been
fistfucked by a queer

It's all just fuckin' fuckin' fuckin' shit

It's all just fuckin' fuckin' fuckin' fuckin' fuckin' shit!

I won't work for you; take your job and jam it up your butt

I won't live my life out serving as your private slut

But don't put me down and call me names

Because as we speak your restaurants going up in flames

It's all just fuckin' fuckin' fuckin' shit

It's all just fuckin' fuckin' fuckin' fuckin' fuckin' shit!

STRAIGHT EDGE FAG

You say that you chose not to smoke

Well that just makes you a fuckin' joke

And then you say we shouldn't drink

Shows what you know, you goddamn dink

You're a straight edge fag

You're a stupid gay

You're a straight edge fag

You love Youth Of Today

You say, "take care of your mind and don't abuse it"

Problem is you don't even use it

Sex is also an abuse or so you say

That's probably because you're a fuckin' gay

You're a straight edge fag

You're a stupid gay

You're gonna bash those who don't agree

Now Sockeye's got it's own bashing spree

We'll clean the town of straight edge thugs

And make the streets safe for all those drugs!

20000 LAWNS

A retarded fellow lives down the block

For 25 bucks, he'll suck on your cock

He's overworked, he's underpaid

20000 more lawns to mow before he gets laid

He eats free pizza at awards ceremonies

Honorary member of three fraternities

He's overpraised

His eyes are stupid and glazed

20000 more lawns to mow before he gets laid

Before he gets laid

Before he gets liad

Before he has sex

Special Olympics, he waits all year

But not as much as his mother's pap smear

Fucking fat pervert watches his sister undress

Looks at his hands, Whoops! There's a mess!

He's dressed in red leather

Pages glued together

20000 more lawns to mow before he gets laid

Before he gets laid

Before he gets liad

Before he has sex

VEGETARIANS ARE WIMPS

At the dinner table, take a seat

On your plate, a big slab of meat
But you say it's a meal you won't eat
Don't you know it's a fucking treat?
Don't be a wimp, have some steaks
Vegetarians just ain't got what it takes
Grab a rifle and let's hunt down some dinner
Because a vegetarian cannot be a winner
Nothing beats a nice slab of veal
Your rabbit food is not my meal!
So don't be a wimp, have some steaks
Vegetarians just ain't got what it takes
