sometimes it feels like rain
a soul searching kind of pain
and i can't seem to find my way
on my own

some days i lose my breath
some days are better than the rest
it's just another test
for my soul

i don't wanna think about tomorrow
i've got to find a way to get me through this night

i've tried breathing
i've tried dreaming
and lying to myself that you'll be back before dawn
there aint no feeling
there aint no healing
there's nothing i can do or say to fill this empty home
there's gettin by, and gettin high
but there's no gettin over gone

i pulled the pictures down
'cause every time i turn around

i see your face and i'm back down
on my knees

life's cold as the stone
your name is written on
when you left you took the best
part of me

i know it aint supposed to be easy
but god can you get me through another day like this

i've tried breathing
i've tried dreaming
and lying to myself that you'll be back before dawn
there aint no feeling
there aint no healing
there's nothing i can do or say to fill this empty home

there's gettin by, and gettin high
girl you know that i've been
gettin on and gettin stoned
but there's no gettin over gone
