Delivered from the chains of subjection
Almighty his chivalry urge
Eriled in the cruelty's clutch
Strengthened in the believe in himself
Growned with the charm of salomo
Halluzinations and mysterious
Drift him into an inconceivable war
He get stigmated in a holy war
Against apocalyptic might
Nails claws in his own breast
Eyes so black as night
A red blazed aperture let see
Thee blood filled beating heart
He is an impetuous thundered god
His revenge get cruel
Hateful thought lead him
An almost intolerable sight
With a frightful weight
Demolish christian stamped bodies
Their tears and blood of
Deception and insidiousness
Doze away to the ground
Smash of imperium of
uncontrolled religious expansion
Last furious warrior
Pursued by fire
Pack of hound behind him
Mankind hopeless fear
OBSESSED BY CRUELTY
Impalement for destroy
OBSESSED BY CRUELTY
Deadly, cold and grey
After carnage is over grinded bones
Covered the endless battlefield
Broken is the residence
Triumph about innocents boast him
Only unseen nocturnal things let remember
And you know who he is
He is an impetuous thundered god
Ashes to dust behind his ways
Urged by unveiled damnation

Mankind hopeless fear
OBSESSED BY CRUELTY
Inpalement for destroy
OBSESSED BY CRUELTY
Deadly, cold and grey
