Yeah

Mr. Shadow up in this one From SD to LA it's the Pocos Pero Locos way

Somos pocos pero locos better act like you know it 105.9 FM on your radio From San Diego to the streets of LA Golden State representing, can't have it no other way Criminal state of mind, the 619 is where I grind And this is where I live and I die Brown Pride till the day we lay under the grass And Rest In Peace to all my soldiers that were lost in the past

I'm going out with a blast, homey it's 2K1
You can find me in San Diego daily puffing on one
What you want from this bald headed fool
I thought you knew we're staying true up and down I-5
is how we do

Rendezvous at the station

Now what you know about Mr. Shadow and his people running the nation

The show that you waited for, everybody knows At Power 106 somos pocos pero locos
