She's perfect all the time

She's special nine to five

I'd you bring you back to life

But you won't forget your alibi

He wants to bury the lie

He wants to make her his wife

I'm him indifference

Dirty Little Secret baby

Imperfect, Impassion

Sublime and ordinary

Imperfect, Uncovered

Unloved, Undignified

And all that I want

Is a taste of the voyage of sympathy

All that I want

Is a taste of the boy inside of me

He won't make up his mind

He says he owes her the time

How he forgets in my sheet

Forbidden fruit is very sweet

Tell me to close the door

Tell me to say nothing more
I'm on your broken moments
Inbetween and secondary
Imperfect, Impassion
Sublime and ordinary
Imperfect, Uncovered
Unloved, Undignified
And all that I want
Is a taste of the voyage of sympathy
All that I want
Is a taste of the boy inside of me
Imperfect, Impassion
Sublime and ordinary
Imperfect, Uncovered
Unloved, Undignified
And all that I want
Is a taste of the voyage of sympathy
All that I want
Is a taste of the boy inside of me
Imperfect, Impassion
Sublime and ordinary
Imperfect, Uncovered
Unloved, Undignified
And all that I want
Is a taste of the voyage of sympathy

And all that I want

Is a taste of the boy inside of me
