I wanna bruise your lips
With a tender kiss
I wanna crush your heart
I wanna be your star
And when your touchin me
I hear a symphony
Oh oh oh baby
Come on my baby
Someone get a priest
Maybe the police
I think that we should call
The Justice of the Peace
Your a pretty young thing
Ah its a damn cool thing
Oh I gotta tell the world
In case they haven't heard
There never was a doubt
Oh baby hush your mouth
Your a pretty young thing
Ah its a damn cool thing
Let me hear my name

Baby say it again

I wanna take you on

I wanna be the one

And when your closing in

I hear violins

Oh oh oh baby

Come on my baby

Someone get a priest

Maybe the police

I think that we should call

The Justice of the Peace

Your a pretty young thing

Ah its a damn cool thing

I gotta tell the world

In case they haven't heard

There never was a doubt

Oh baby hush your mouth

Your a pretty young thing

Ah its a damn cool thing

Oh pretty young thing

Don't need no diamond ring

I'll give you everything

I'll show you anything

Oh hush

Oh just hush

Don't say a word
Someone get a priest
Maybe the police
I think that we should call
The Justice of the Peace
Your a pretty young thing
Ah its a damn cool thing
I gotta tell the world
In case they haven't heard
There never was a doubt
Oh baby hush your mouth
Your a pretty young thing
Ah its a damn cool thing
I think we should call
Oh such a pretty young thing
