Follow me

In the middle of the rapture
Tell me where will you go?
Baby, don't get captured
'Cause then I'll have to follow

I will follow you anywhere
Oh, where you are, I will be there
Then you'll follow me

In the middle of the ocean
Tell me where will you be?
Once you reach your destination
Look around, you will find me

I will follow you anywhere
Oh, where you are, I will be there
Then you'll follow me

Just follow me, let your mind be free
I will be waiting
Just follow me, so patiently
Love will be waiting

Just follow me, let your mind be free
I will be waiting
Just follow me, so patiently
Love will be waiting

In the middle of the desert
Thirstin' for what's out of reach
Lift your hands up to the sky
And you'll touch a part of me

I will follow you anywhere
('Cause you know where you are)
Oh, where you are, I will be there
(I, I will be there, just follow me)

Just follow me, let your mind be free
I will be waiting, come on

Just follow me, so patiently
Love will be waiting, love will be waiting

As you're runnin' from the thunder
Listen through the pouring rain
And you'll hear a silent echo
I'll be calling out your name

I will follow you anywhere
Oh, where you are, I will be there

Just follow me, let your mind be free
I will be waiting
Just follow me, so patiently
Love will be waiting

Just follow me, let your mind be free
I will be waiting
Just follow me, let your mind be free
Free, yeah, yeah, yeah

Just follow me, let your mind be free
I will be waiting
Just follow me, let your mind be free
I will be waiting
