They say patience is a virtue
But I've been waiting too long
I believed in your promises
And it hurts to see I was wrong

One more tries, the sleepless nights
The countless tears that I've cried

Why should I keep holding on
When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone

Stairways leading down to nowhere
Roads that never end
Why keep on going 'round in circles
To break my heart again?

Caressed my hair, then left me there
Alone but you don't care

Why should I keep holding on
When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone

I used to think that I should blame myself
But it wasn't me who was seeing someone else
Now here's a me you've never seen before
As you're watching me walk right out the door

Keep holding on
When I know someone new is holding you
Why should I keep holding on?
I gotta let go 'cuz love's already gone

Tell me why do I keep holding on
When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone

Why should I keep holding on

When I know someone new is holding you?
Why should I keep holding on?
I gotta let go 'cuz love's already gone
