Oooh

Oooh

(Computer voice: The time is 3 A.M.)

Don't say you see what's what's happening
You're t-t-telling lies, s-s-studdering.

It's 3 A.M. and I ain't heard a word
Once again, this ain't what I deserve
Baby, I'm just about fed up
It's crazy
I wondering if you give a f-f-f-damn
Tell myself, I should turn up the heat
And watch you melt
I put the game you
Can't play me
Like you've done before
Baby rest assure
I'm not about to take no more

If you think that you're talking you're way outta this
Well, it's just not happenin'
Cuz I'm so sick and tired of all of your s-s-studdering
I'm not listenin'

Don't say you're s-s-sorry
Don't say you a-a-apologize
No way, I've heard your stories
And boy you can't disguise
You're t-t-telling lies
Don't say you're gonna change
No way, you're p-p-playing games
Too late
I can see what's happening
You're t-t-telling lies
yea S-s-studdering

T-t-today junior...come on

Picture this
I'll be away from you
Of my list, and then replacing you

Crazy
Baby with the past don't trick me
Baby you can kiss my a-a-ssk me words
To clean the slate
?
And got your final plans
You'll be out the door
Baby rest assure
I'm not about to take no more

If you think that you're smoothing it over with words
Well, it's just not happenin'
But I just can't believe you with all that I've heard
S-s-studdering
I'm not listenin'

Don't say you're s-s-sorry
Don't say you a-a-apologize
No way
I've heard your stories
And boy you can't diguise
You're t-t-telling lies
Don't say you're gonna change
No way, you're p-p-playing games
Too late
I can see what's happenin'
You're t-t-telling lies
S-s-studdering

Studdering (fades out)

Oooh (fades in)

I close my eyes
And dream about the way things should have been
But I don't surprise
When I wake up
Single

Don't
D-d-don't say
There's no w-way
There's no way, yeah yeah
Why do you studder?

Don't say you're s-s-sorry
Don't say you a-a-apologize
No way
I've heard your stories
And boy you can't diguise
You're t-t-telling lies

Don't say you're gonna change
No way, you're p-p-playing games
Too late
I can see what's happenin'
You're t-t-telling lies
S-s-studdering

It's alot to get over
Yeah yeah
And I have to wonder
Yeah yeah
If it's just a little
Yeah yeah
Then why do you studder?
S-s-studder

Don't say you're s-s-sorry
Don't say you a-a-apologize
No way
I've heard your story
And boy you can't diguise
You're t-t-telling lies
Don't say you're gonna change
No way
You're playing games
Too late
I can see what's happenin'
You're t-t-telling lies
S-s-studdering
(Songs fades out)
