[verse 1]

They say complacency goes down easy  
Smooth like hallucinations only you and I see.  
Whoa whoa  
Delusions of grandeur  
Give me the only hope for the future.

I have suffered  
I have suffered  
I have suffered  
At the hands of vengeful gods and goddesses.

We're all tired of broken promises.  
We're all tired of broken promises.

[bridge 1]

Whoa-oh  
Whoa-oh oh-oh

I build towers with the wood you're knockin' on.

Whoa-oh  
Whoa-oh oh-oh

I sold my soul to be your new phenomenon.

[chorus]

(c'mon c'mon c'mon)  
You can't fake it.  
(c'mon c'mon c'mon)  
You won't make it  
If you don't sing your heart out  
If you don't sing your heart out.

Despite our lack of providence  
We are convinced  
That we're destined for so much more  
So we take the hit.

[verse 2]

Cause we're sick

Of playing in our best friend's basement.  
All the while  
The copycat kids  
Get their cocaine kicks  
From the chaos calm  
Of a chemical smile.

I'm in love  
I'm in love  
I'm in love  
I'm in love  
With your brand new sound.

All the joys of the noise

Where the boys fear to tread tread tread new ground.

[bridge 2]  
Whoa-oh  
Whoa-oh oh-oh

Stay connected to the man who has everything.

Whoa-oh  
Whoa-oh oh-oh

Play the music when he pulls the strings.

[chorus]  
(c'mon c'mon c'mon)  
You can't fake it.  
(c'mon c'mon c'mon)  
You won't make it  
If you don't sing your heart out  
If you don't sing your heart out.

Despite our lack of providence  
We are convinced  
That we're destined for so much more  
So we transform.

[instrumental break]  
We are the crack crack crack  
In the stained glass glass.

(We are the crack crack crack  
In the stained glass glass.)

We are the crack crack crack  
In the stained glass glass.

(We are the crack crack crack  
In the stained glass glass.)

We are the crack crack crack  
In the stained glass glass.

(We are the crack crack crack  
In the stained glass glass.)

[chorus]  
You can't fake it.  
You won't make it  
If you don't sing your heart out  
If you don't sing your heart out.

Despite our lack of providence  
We are convinced  
That we're destined for so much more  
So we transform.
