Let's go.  
If you can gaze into the future.(Future, future.)  
You might think life would be a breeze.(Life is a breeze.)  
Seeing troubles from a distance, yeah~(Go Rae.)  
But it's not that easy.(Oh no. Take us the future)  
I try to save the situation then I end up  
misbehaving.(oh, oh, oh)

(Rap)  
Hey now, say now.  
'Bout to put it down. Yeah~.  
Come on and ride with the break now.  
In that future looks great now.  
And everything's gonna change now.

That's So Raven.  
It's a future I can see.  
That's So Raven.  
It's so mysterious to me.

That's So Raven.  
It's a future I can see.  
That's So Raven.  
It's so mysterious to me. Yeah~~~~

(Raven)Yup that's me.
