Boys who rape should all be destroyed
Boys who rape should all be destroyed

Three to one girl
How can you win
One horrid night
You hope that it's a bad dream

They rip you to shreds
Make you feel useless
You'll never forget
Those fuckers stay in your head

Boys who rape should all be destroyed
Boys who rape should all be destroyed

They rip you to shreds
Make you feel useless
You'll never forget
Those fuckers stay in your head

Boys who rape should all be destroyed
Boys who rape should all be destroyed
