Can I beat 'em now
Can I get your love
Can I beat 'em now
Can I get your love
Don't you realize
I long for your lips
Don't you realize
I long for your lips

Let me out of here
Let me out of here

You drive me round and round
You drive me round and round
Until I crash into the stars
You take me for a spin
You take me for a spin
Until I crash into the stars
I'm breaking into cars
I'm breaking into cars

Can I beat 'em now
Can I get your love
Can I beat 'em now
Can I get your love
You keep ignoring me
And the teardrops fall
You keep ignoring me
And the teardrops fall

Let me out of here
Let me out of here

You drive me round and round
You drive me round and round
Until I crash into the stars
You take me for a spin
You take me for a spin
Until I crash into the stars
I'm breaking into cars
I'm breaking into cars
