Your lipstick  
Smeared beside  
I adore you  
I always have  
And everytime you overdose  
I rush to intensive care  
Another said I stare  
Before you disappear

If this is the last dance, this is the last dance  
Then, save it for me baby  
If this is the last dance, this is the last dance  
Then, save it for me baby

Ooh, ooh  
Then save it for me baby  
Ooh, ooh  
Then, save it me baby

Your addiction  
And you are in love  
Not starcrossed  
I wait my turn  
And everytime you overdose  
I rush to Intensive Care  
Another said I stare  
Before you disappear

If this is the last dance, this is the last dance  
Then, save it for me baby  
If this is the last dance, this is the last dance  
Then, save it for me baby

Ooh, ooh  
Then save it for me baby  
Ooh, ooh  
Then, save it for me baby

I wanna know, I wanna know  
If it's the last, if it's the last dance  
I wanna know, I wanna know

Baby, baby, please

If this is the last dance, this is the last dance  
Then, save it for me baby  
If this is the last dance, this is the last dance  
Then, save it for me baby

Ooh  
Then save it for me baby  
Ooh (This is the last dance, this is the last dance)  
Then, save it for me baby
