

Raveonettes, The "Sad Transmission"

I wanna taste you
I wanna feel you
I wanna hold you tight
Just let me tease you
Just let me eye you
Pretend that you don't care

Intense moment
When our eyes crash
And from the wreck I emerge
With all the love
You ever dreamed of
Devoted to you, yeah

Oh, let me hold you for one last time
Oh, let me hold you for one last time

Your heartbeat stops
When I tell you
That lovers always part
A sad transmission
Brought to you by
Someone who doesn't care
