Somewhere in Texas by the yellow sand
Somewhere in Texas by the yellow sand
Somewhere in Texas I lost my man
Somewhere in Texas by the yellow sand

Somewhere in Texas by the yellow sand
Somewhere in Texas I lost my man
Somewhere in Texas by the yellow sand

How many times do I have to loose you
How many times do I have to loose you
Do I have to loose you, before I realise it's too late

A tornado is truly coming my way
A tornado is truly coming my way
It sweep the land, I think I'll stay
It sweep the land, I think I'll stay
Somewhere I lost my man
Somewhere in Texas by the yellow sand

How many times do I have to loose you
How many times do I have to loose you
Do I have to loose you, before I realise it's too late
