All the lights are coming on now
How I wish that it would snow now
I don't feel like going home now
I wish that I could stay

All the trees are on display now
And it's cold now
I don't feel like going home now
I wish that I could stay

well, I wish that I could waaaalk,
I wish that I could waalk
you home.

All the lights are coming on now
How I wish that it would snow now
I don't feel like going home now
I wish that I could stay

Santa's coming to town
With a suitcase in his hand
Santa's coming to town
With a suitcase in his hand
