All around me are familiar faces  
worn out places worn out faces.  
Bright and early for the daily races  
going nowhere going nowhere.  
And I find it kind of funny I find it kind of sad.  
In dreams of which im dying are the best I've ever had  
I find it hard to tell you I find it hard to take.  
When people run in circles it's a very very mad world  
\*mad world\* mad world.  
Went to school and I was very nervous  
no one knew me no one knew me.  
Hello teacher tell me what's my lesson  
look right through me look right through me.  
And I find it kind of funny I find it kind of sad.  
In dreams of which im dying are the best I've ever had  
I find it hard to tell you I find it hard to take.  
When people run in circles it's a very very mad world  
\*its a mad world\* mad world mad world \*mad world\*  
mad world.
