You know we do this

Oh my days, certain man tryna say like...

I don't rep E3, I'm not E3

Are you crazy, I've been doing this

I went to Bow boys, I've been doing this for so long

Like... it's amazing how you can say that.

Listen...

My names Wiley, I come from 'Bow E3'

07961897033, I'm so E3

The whole of E3's got so much talent, I hope you see

I know E3 so well, If you ask me Wiley speaks for the whole of E3

You can't say that, Scorcher wont make nobody bow to his foot, I aint Wolf Pack

Boy Better Know E3, wont just let another donut MC disrespect E3

I'm always tryna rep ends but certain friends on end they don't know E3

'Coz when it's reppin' time, I show E3

We made the genre everybody's on but, it's all come from Bow E3

It's Wiley aka Eski-Boy I'm from Bow E3

Wiley talking

You get me... that's why,

And certain man are tryna say like Eski don't represent E3,

The tek 9 boys in his waist hold face, better know E3

When the war starts not many roll E3

And I'm still alive, say Bow E3, didn't know E3, Hello E3

In summer 2-7, I was show E3

I'm the Grime kid, pussyo, know E3

I'm a soldier so lets go E3
It's Umbrella, not SHO-SHO E3
So, anyone from E3 who says their shower, don't lie, we
know E3
It's not hard, anybody tryin' it better just stop, I'll let the
leng go E3
Can't chuck a ting, I'm a pro in E3
Your girl's the hoe, I'll be free,
Not mine coz mine don't come from E3

Wiley talking

Like Beggars Road,
Like everywhere, please

And I rep for 'Bow E3'
And you can't chuck a ting in 'Bow E3'

You know who else reps... Gods Gift and Rascal
