Holiday romance wanna beat you day hold hands
But when the night time reaches up busy I can't make
no plans
You wanna feel like she gets attention
So cool but I forgot to mention
When i got work I work no hustle
And what you want .. no bottle
You wanna link up I said yeah babe
I fly round the .. i'm on the airway
You look good at the bar .. case
Let's roll for the sea air face
I got my eyes on you I'm attracted
Back ..at the .. relaxing
I feel good and I don't wanna go back
Is .. due to a holiday romance.

Sweet dreams to a holiday romance
.. dreams to a holiday romance
.. dreams to a holiday romance

..she may ..looking spot in the ..
.. booking feeling .. when a girlfriend ..fishing
I cannot do this without .. so ..represents black man
Let em told that again, let em tell that again
I might kiss the lips of a princess
When .. searching for the best ..round up
I can world with the
Yes I got one thing to tell ya check your bump in a
..dress
What's your number name and address
Yes what's your number name and address

I don't know everything nice

Thanks to garbo
