(Verse 1)

If Iâ€™ve ever let you down then Iâ€™m sorry
It was my fault
Thatâ€™s the truth honest, no high talk
I respect the fine, stand still had
I was being prick by still a kid
Anytime I win a race champion
See a talent 3 grade I stamp â€™em
So Iâ€™m one of them dudes
Itâ€™s one of them musical things I gotta do

(Hook)

Everybody put your hands in the air
Everybody put your hands in the air
Without my fans I couldnâ€™t do this
And sometimes I forget that
Iâ€™m reminded by the ones
Who have my back and they say they do it
Everybody put your hands in the air
Everybody put your hands in the air

(Verse 2)

Been the 5th girl Iâ€™ve seen tonight
Whoâ€™s asked me if Iâ€™m in to party
You one of them fake girls I seen precisely
Why I wanna speak to you â€™cause youâ€™re flighty
And Iâ€™m a cool dude you would like me
Babe, thereâ€™s nobody like me
Hello Iâ€™m Cowie AKA Wiley
And I live the life of writing
I live a cool scripture
Led to a following, led to a picture
Came from the radio, back to the mixer
Now I move right like Rosey Scriptor
And I share that with you â€™cause you make me
And itâ€™s for that reason I canâ€™t forget you
Put your hands in the air, everybody one time
To be honest Iâ€™m glad I met ya

(Hook)

Everybody put your hands in the air

Everybody put your hands in the air
Without my fans I couldn't do this
And sometimes I forget that
I'm reminded by the ones
Who have my back and they say they do it
Everybody put your hands in the air
Everybody put your hands in the air

(Verse 3)

'Cause I'm feeling like I'm on my last days
Lost in a world like Kanye
This hard ache done but the parley
I wanna live life like a stump past this bean hard
And I'm passed and upon gate
Play more games than an arcade
Till my heart change like an X in a card game
Lost chance and I can't wait
For time to pass like an R8 in the fast lane
Get done, get done while I get done
Feelin my back but not getting up
Slap the fans couldn't get enough
Then we get back in the seminar
Left off I'm still in the map like enebro
Thinking I left the bare bond
I'ma tell them ones who behind to get back run
You better run along but the fact is
When a champion I'm a love with everyone

(Hook)

Everybody put your hands in the air
Everybody put your hands in the air
Without my fans I couldn't do this
And sometimes I forget that
I'm reminded by the ones
Who have my back and they say they do it
Everybody put your hands in the air
Everybody put your hands in the air

Everybody put your hands in the air
Everybody put your hands in the air
Everybody put your hands in the air
Everybody put your hands in the air
Everybody put your hands in the air
Everybody put your hands in the air
