Me, sitting here by myself  
Wondering what I can do  
Now that I don't have to you  
And me, trying to tell myself  
That I'm gonna find a way  
To change your mind someday  
(chorus)  
Me, myself and I  
There's three good reasons why  
You should turn around  
And come back home tonight  
And my heart is sure  
No one else could love you more  
Than me, myself and I  
Me, looking hard at myself  
Without you by my side  
How will I ever survive  
And you, do you ever think of us  
And wonder who still loves you  
Well I know three fools that do  
Just me, myself and I
