she likes to drink it  
she grabs the glass and likes to sip it  
she loves champagne rose campaign  
if you got a bottle then she wants to drink it

she loves the whole flex  
when im bringing in the bottles  
in christian audigier  
cant copy him (uhuh uhuh)  
she love the colour of the bottle though  
get her little hands on it shes a bottle op-e-ner  
but yo this ones a rose  
watch me twist the top then follow up  
you can learn a few things just swallow up  
You dun Know what Madonna Does  
shes tellin me gee!

She likes to wine on it  
short skirt look kind of fine in it  
yeah she likes to whine on it  
thats why i keep my eyes on it  
im in the club just clock suttin nice  
eyes on her wondering whats on her mind  
i was watching her wine  
like i was minding her drink watching her whine  
im fly on the floor my lyrics are the shit  
theres flies on my book im shining cuz im blessed  
and im wise you know ive got girls to the left and the  
right

she loves what i be  
Me and my team run the grime scene  
covered in ice cream down to my feet  
check the I C on the back of my jeans  
when i hit the rave darg its benners of dro  
have the bottle of errol & joseph no renault no focus  
a class triple a pass and a quick entrance no joke ting  
come here to rep for the rave but if  
anyone steps in my face,  
im settin a pace its all weapons ablaze  
i ent tellin them i step withh the flick knife

look she likes to tease me  
but im outta this world with E T  
She knows the wretch is greezy  
well get connected with Bt  
why you gotta be like  
that i aint tryin ta be your man  
thats ironik BABE.  
i see your plan infact im on it  
so be proud to meet your match  
with no pitch or referee well do this in the westwood  
legendary  
i aint doubting im fast your my head mistress but im  
out of your class

She likes the carnival favorite film  
Loving basket ball im a hot boy here comes the  
barbeque  
shes got a man but im unregardable  
I might depart with somebodys woman just cuz  
somebody bet me i couldnt if she ent a goodun  
ill bring the whole crew in from when i get a foot in the  
door i keep pushin cuz if i get breakfast then i want  
extras lunch dinner and pudding im making

Dry way do it my way when im pulling give her the hook  
which one of you wouldnt ?

She loves the dance im  
here again to hype the dance  
got girls on lock inside the dance  
cant forget the three that like to dance  
yo do a one step two step three step  
billy came back for the remix and all the girls that we  
get  
want to see the sun like venus A not B list  
the route i took was a scenic straight to the corner of  
the club  
im a realist shes not giving a damn  
where shes putting her hands weve got similar plan for  
this evening

Yow Yow she likes my t-shirt (bish bash bosh)  
wants me to pipe and breed her  
plus her ex mans a eeedit  
me her and her best friend a threesome  
its a one grand two grand more  
i can afford anything that she wants  
(what did you lash bash?) course ! when i finished she  
couldnt walk  
Dead she was a corpse then i taught her the latest  
craze

You Know gracious k take your right and your left then  
put both hands on my head (show me how you get  
down)

She likes the winner flow  
and the way i directed the video  
check one check two check when you see me though  
i look like money in my wallet big money in my wallet  
Hunny if im on it we can make love and on the bonnet  
can i grab the bent off will  
Look down its kinda got git off phil  
Look round its kinda like sex on wheels  
chain all blinging, big stage a chain all swinging  
dropped a little change on wigan f them pennys an i  
stay for the papes im gettin

She aint in to grime fam (no she aint)  
But i know she knows who i am im in the dance 10 man  
already got parred but if anyone can then i can  
1st things first i am not on the grind  
diamonds in the pendant my sign got females totally  
on it she looked at my wrist and was like god damn  
chip whats that?  
a morgage deposit Nahh  
im just being Modest i mean honest You can blame it  
on me girl Fuck the goose MUNK.

Nasty she Likes me. me . me. me. me.  
Me me its all about me and my moneyy moneyy its all  
bout me  
gees gal ah like griminal flee boy wid a bad Bitch  
griminal be  
The new school lyrical g gal on their knees like griminal  
Please! Griminal wants riminal Needs.  
4 bill a show be the minimal fee

shee she shee she sheee she she shee
