We getting busy at the bar
Sippin daiquiris over here
Busy at the bar
Sippin daiquiris over here busy
We getting busy at the bar
Sippin daiquiris over here
Busy at the bar
Sippin daiquiris over here busy

She told me I'm a star I told her she was pretty
She whisper in my ear lip gloss on sticky
Be lady getting...'cause I'm sipping up and it's about
get busy
And me and my... so I party with my riches
Shot the club down I aint remember my misses
Got my pity eyes and competition
That means a lot... strong when I busy and... spirit

This... I am drinking got me swaying...
This... I am drinking got me swaying...

I swear to the rush way
I swear to the right, I sway to the left
I sway to the...
I move way... yes I got I ot
Tired of way... but no tricking
I don't get... and she knows I'm staying... like I'm try to
kill it

I swear to the right, I sway to the left
