Let's go make magic
I concrete gram if I want it to spin a long time on my..
For me is just a happy and this..

Never had it, had it, never had it, had it
Never had it, had it, never had it, had it
Never never never never never..
Never never never

I'm a bright light never never never
I'll be living in the land of end up never never never
And I get a little tracks on ..
So I never .. 'cause spear with me .. yes I'm clever level
lever
If I ever go in ..and rap go rap
..what a .. I'ma ride anytime please with the tack us
'cause I'ma rap as I make
I shoot money over the collector
I was in the trade ..how about that I remember
This score me magic concrete a ..
For a ..spin it all a ..for me is just a happy
I'm a belly right ..had it, never had it

Never had it, had it, never had it, had it
Never had it, had it, never had it, had it
Never never never never never..
Never never never

suddenly I'ma .. and this is ..i make discovery
..a good sight..the people are bugging me..the people
are loving me
..over you
..i got the.. and a day say .I'm a soldier
I ain't gonna stop till..
ill be seeing in the chair.i know ..
but don't holla unless you ..
I'm the ..in the night ..man I have ..times
Let's go me I concrete spend time in my ..
And now I ..

Never had it, had it, never had it, had it

Never had it, had it, never had it, had it
Never never never never never..
Never never never

â€¡

Never had it, had it, never had it, had it
Never had it, had it, never had it, had it
Never never never never never..
Never never never

In my face so long ..she the one ..
I'm giving out ..telling the ..till I lose
Looking for a woman that I choose
I'm that .. let's ..spend a long time ..now I rude

Never had it, had it, never had it, had it
Never had it, had it, never had it, had it
Never never never never never..
Never never never
