[Intro]

Ill Be Treading on thin iceright about know

[Verse 1]

Yo

I can feel 'em gettin closer to me
I heard they're searchin for me
High and low they wanna know me now
OK, I can feel me gettin closer to them
I've got that strap in the back of my mind
And I'm prepared to take them down
(Yeah) I can see her she's tryna get revenge
I know I treated her badly
Now she's on her way to bein angry
I can see it
I'm gonna be that boy from E3
Livin through the TV
The soldiers they're behind me
Waitin I'm on the way to the top
And I'm gonna take my area straight to the top with me
There's more artists where I came from
They'll be treddin after me
Watch this space
I'm settin the pace like Dizzee
I represent the underground that's where I get busy
My name's Wiley call me Eski boy
Can't test me boy
I'm blessed rude boy
Rip that S off your chest rude boy
I'm make you go home, sit down and practice boy
You can't match this flow
I'm treddin on thin ice with this flow
Roll Deep's behind me bro
Yeah it's that time to get doe

[Chorus]

I'm treddin on, thin, ice
I'm at the end of my temper
I'll be like this forever
I'm treddin on, thin, ice
It's like I don't learn
Cause I've made the same mistakes more than twice

I'm treddin on, thin, ice
I'm at the end of my temper
I'll be like this forever
I'm treddin on, thin, ice
It's like I don't learn
Cause I've made the same mistakes more than twice

[Verse 2]

I'm pissed cause for the last year
When half I've been wastin time
Creatin hatred time
I'm still learnin the basics time
But I'm on ??? time
I got it locked the scheme is mine
Girls come and girls go
Oh well that's life
I'm a cheat from the street
Oh well that's life
No you can't take my wife
I'm single
I can take your wife
It's grime time
Where's the grim treddin on thin ice
Come here lets not get tied up in relationships long ting
Commitment that's a long ting
It's better if we're linkin
No streets attached
Lets tredd on thin ice
Girl gets attracted to boy in less than 5 minutes
Watchin a DVD in the T-Spa in 10 minutes
Then I'm guessin that its time to hit the back seat
Put your phone to the side so he can meet her
The phone is ringin its her man
Yeah he's tryna find her
But she's with me
She gives me the ultimate sex

[Chorus]

I'm treddin on, thin, ice
I'm at the end of my temper
I'll be like this forever
I'm treddin on, thin, ice
It's like I don't learn
Cause I've made the same mistakes more than twice

I'm treddin on, thin, ice
I'm at the end of my temper
I'll be like this forever
I'm treddin on, thin, ice
It's like I don't learn

Cause I've made the same mistakes more than twice
I'm
