Create a buzz, volume 1
Holler at me cause I got the snowflake
, on the block, it's the whose
Ask me if it's , I tell him no way
Told me bring it in the whip I'm like no way
Send the taxi on the airings for the whole day
We the one , go away
I do the ,rhyming, , oh yeah
I do the ,rhyming, , oh yeah

If you're in the park and you run out, phone
I am a , but I'm not, role play
I want my scrambled eggs done well toast oh yay
I know you're stopping here but I'ma go the whole way
I'm into soccer, you won't see me playing ,
I don't want to help a hand outs, no ,
Ole, ole, ole, ole,
Ole, they saying I'm doing well I say I'm doing ok
Create a buzz, dang.

Thanks to Andrei
