All day long, I sing this song  
And its driving me insane  
All day long, I sing this song  
Then I stop and sing it again

I dont know how it begins  
I just know it never ends  
I feel like singing this song  
When I'm singing with my friends

When we're chasing every bottle in the room  
Nothing to be embarassed of  
Gonna shout till my voice cuts out  
I turn let me in  
Why ride off the tracks  
I can't relax  
I can't calm down

All Day Long, I sing this song  
And its driving me insane  
All Day Long, I sing this song  
Then I stop and sing it again

Nothing to be embarassed of  
Gonna shout till my voice cuts out  
I turn let me in  
Why ride off the tracks  
I can't relax  
I can't calm down

I dont know how it begins  
I just know it never ends  
I feel like singing this song  
When I'm drinking with my friends

When we're chasing every bottle in the room  
Nothing to be embarassed of  
Gonna shout till my voice cuts out  
Nothing to be embarassed of  
I turn let me in  
Why ride off the tracks

I can't relax  
I can't calm down

When we're chasing every bottle in the room  
When we're chasing every bottle in the room  
Chasing every bottle in the room

All Day Long  
All Day Long
