{Ben:}

Sun is shining, the rain comes in
And I don't know what to do, no
I don't know where I'm going or where I've been
Cuz my mind is hooked on you

Words escape me and tears come down
And day slowly turns to night
And I think of all we could have been
But I gave up the fight

And you don't (and you don't),
Understand (understand),
Girl you make me all I am,
But I'm starting to see,
Just how hard it can be
On my own
And I'm sorry baby won't you come home?

You said that we'd been defeated
But oh I am so addicted
Your love is all I need to get by
You told me that you and I would always be true
But you lied
And you're not in love and I don't know why
No, I don't know why

{Paul:}

The days around me and years roll on
And I still don't think it's right (Don't think it's right)
And I have so much love to give
But I gave up the fight

Now you don't (and you don't)
Understand (understand)
Girl you made me all I am
Now I started to see
Just how hard it could be
On my own
And I'm sorry baby won't you come home?

{Ben:}

You said that we'd been defeated
But oh I am so addicted
Your love is all I need to get by
You told me that you and I would always be true
But you lied
And you're not in love and I don't know why

{Paul:}
No I can't make it alone (Ben-I don't know why)
And I can't be here without you in my life
And so I ask you, why, you still deny?

{Ben:}
And you don't
Understand
Girl you made me all I am
But I'm starting to see
just how hard it can be
on my own
And I'm sorry baby won't you come home?

{All:}
You said that we'd been defeated
But oh I am so addicted
Your love is all I need to get by
You told me that you and I would always be true
But you lied
And you're not in love and I don't know why

{Ben:}
No, I don't know why
Just tell me why
Please tell me why
