La musica is the drug
You're all that I'm thinking of
I'm all that you want tonight

Ma feet stampin' on the floor
Your sweat drippin' off the wall
We move and our bodies talk, ignite

Right on to ya mouth and tongue
Come on open wide come on
We dance in a simple code
A sensory overload
The sweet and the salty yes
I feel it within my chest
We fall deep into a trance
Forget who we were just dance

Just dance,

We are la musica
We are la musica
We are la musica
We are, la musica

La musica
La musica

Make love to la musica
Wanting every piece of ya
We dance using all we got

One touch and my body glow
You taste like a mojito
We burn at the fingertips, so hot

Hold on to you by the teeth
I dance for you never sleep
Silence me with just a kiss
I want to be wet like this
So good let the lights come on
Tonight gonna beat as one

Let go and the room will spin
La musica pull us in

Just dance,

We are la musica
We are la musica
We are la musica
We are, la musica
