Damn baby!
I just don't understand what went wrong
I gave you my heart
I gave you my soul
I gave you!

[Verse 1]

As a matter of fact I was the one who said I love you
first,
It was about 8 years ago
Don't act like you don't know.
We were sitting at home in your momma's living room,
Cause, (We couldn't be alone)
See your mamma knew I was something else, she knew
how I felt.
Back then we were in school,
And thats your favorite excuse,
Growing up I was a fool,
And I cant lie Im missin' you
Listen and don't trip,
Think I need a bottle with a genie in it.
Here's my wish list,

(First one), I would create a heart changing loving,
(Second one), I'll take your lift and lead on,
(Third one), but I don't need a lot of wishes cause,
I'll, be okay if I get one
[Chorus]

If I had one wish, we would be best friends
Love would never end,
It would just begin.
If I had one wish, you would be my boo,
Promise to love you,
Trust me I'll trust you.
If I had one wish, we would run away,
Making love all day,
Have us a baby.
If I had one wish, I'd make you my whole life,
Can you be my wife?

Make it right this time.

[Interlude]

If I had one wish,
One wish, one wish, one wish.
One wish, one wish, one wish.
One wish, one wish, one wish.
One wish, one wish, one wish

[Verse 2]

And tell me is this the only way I,
Can get you right back in.
If so, then search and I'll go,
Then I can have you for sure.
Then you'll be loving me,
Holding me,
Kissing me.
So girl don't tell me what,
I'm feeling is make believe.
I swear if I lose,
A second chance with you,
I wouldn't know what to do,
I'd probably check myself in,
To some kind of clinic,
I couldn't be alone,
Because without you I'm sick
Here's my wish list

[Chorus]

(First one), I would create a heart changing love
(Second one), I'll take your lift and lead on
(Third one), but I don't need a lot of wishes cause,
I'll, be okay if I get one

If I had one wish, we would be best friends (we'd be
best friends)
Love would never end, (never end)
It would just begin. (Starting here right now)
If I had one wish, you would be my boo,
Promise to love you, (promise to love)
Trust me I'll trust you. (I trust you)
If I had one wish, we would run away, (yes we would)
Making love all day, (it would feel so good)
Have us a baby.
If I had one wish, I'd make you my whole life, (oh yeah)
Can you be my wife?
Make it right this time.
If I had one wishâ€¦!

[Interlude]

I don't even know
How we ended up on this road,
And even though we are grown,
Girl I just want you to know

[Chorus]
