You know we the fighting freak Knuckles,  
And we're at Pumpkin Hill  
You ready?

\*

I ain't gonna let it get to me, I'm just gonna creep.  
Down in Pumpkin Hill I gots to find my lost piece.  
I know that it's here, I can sense it in my feet.  
The great Emerald's power allows me to feel.  
I can't see a thing but it's around somewhere,  
I'm gonna hold my head 'cause I have no fear.  
This probably seems crazy, crazy, graveyard eerie.  
A ghost tried to approach me, and got leery.  
Asked him a question and he vanished in a second.  
I walked through valley and climbed pumpkin in the  
alley.  
Didn't seem happy but they sure trying to get me.  
Had to back 'em up with the fist metal crackle.  
I'm hearing someone saying you a chicken, don't be  
scared!  
It had to be the wind, 'cause nobody wasn't there.  
I searched and I searched as I climbed up the wall,  
And then I started to fly, I went in deeper!

Let it get to me? I'm just gonna creep,  
Down in Pumpkin Hill I gots to find my lost piece.  
I know that it's here, I sense it in my feet.  
The great Emerald's power allows me to feel.  
I can't see a thing but it's around somewhere.  
I gotta hold my head, I have no fear.  
It probably seems crazy, crazy or graveyard eerie,  
A ghost tried to approach me, he got leery.
