Another day and here I am  
I've drifted far away  
Now I'm alone again  
Your love can bring me home again  
A shelter from the storm but still I'm torn again

With brokenness and an aching heart I reach for You  
I know you'll calm the raging storm I see

Your love flows deeper than thee ocean floor  
Goodness and mercy follows me  
I know I'm anchored through the raging storm  
You're my hope You're grace is what I need  
Keep surrounding me

Your love just keeps amazing me  
Though trouble knows my name and overflows  
Those times I feel uncertainty  
Just wrap me in your arms and hold me close

Open up my blinded eyes and shine my way  
A guiding light for all the world to see

Your love flows deeper than thee ocean floor

Goodness and mercy follows me  
I know I'm anchored through the raging storm  
You're my hope You're grace is what I need

Your love flows deeper than thee ocean floor  
Goodness and mercy follows me  
I know I'm anchored through the raging storm  
You're my hope You're grace is what I need

Keep surrounding me, keep surrounding me  
Keep surrounding me, Your love  
Keep surrounding me, keep surrounding me  
Keep surrounding me  
Surround me, surround me

Your love flows deeper than thee ocean floor

Goodness and mercy follows me  
I know I'm anchored through every raging storm  
Cause You're my hope You're grace is what I long for  
and need Lord

Keep surrounding oh  
Keep surrounding me  
Keep surrounding me Lord  
Keep surrounding me oh  
Keep surrounding oh  
Keep surrounding me
