Intro

(Tell them what they wanna hear)

Hey just tell them what they want to hear X 8

I really like you and I really want to be with you
If you spend the night I promise I won't try to sleep with
you

Yes I love you and I really want to be with you

You can put your trust in me and I will never cheat on
you.

(Chorus)

(Tell them what they want to hear)

Hey girl you know you looking good today

(Tell them what they wanna hear)

I think about you almost everyday

(Tell them what they wanna hear)

Oh girl you know you got a pretty face

(Tell them what they wanna hear)

Your not too big your just thick in the waist

(Tell them what they wanna hear)

Hey just tell them what they want to hear X 8

Hey just tell them what they want to hear X 8

Never met someone so beautiful

Baby girl had everything

Girl I want you to know you're the finest thing I've ever
seen.

You need to be on the TV screen

Or taking pictures for a magazine

And after a while I had to ask myself

Oh maybe she gonna

(chorus)

You wish your man was a G like me

And make you his lil wifey

Be on the cover of magazines

Stand out like a rock in a bag of beans

Type of girl I could picture myself with

Lil broad doing freaky stuff with

Doing it side to side

Oh I think that you're the one
That I'm gonna marry
My baby boy or girl, my kids you gonna carry
I really wanna take you home, so you can meet my
mama
And if you ask me about my ex I'm gonna tell you
theres no more drama.

(Chorus)

You need to tell em, tell em, tell em, tell em, what they
wanna hear.
