My back is against a brick wall  
I got a Mack truck two inches from MY FACE!!  
Well run free baby, run now  
It just looks hard, but it would be, SOOO easy  
Just turn around and go!  
Clip all the wires, hook-ups and hangups  
and then you're HOME FREE  
You can give birth, torrents you so easily  
you'll believe it's always been there  
While the natural order made-to-order  
by your forever clever MIND  
CONSTANTLY protecting you against things  
you no longer need to be protected FROM!  
AND I, BELIEVE!  
I believe like a holy roller  
Singing sweaty preaching Go Tell It On The Mountain  
While speaking in twenty different tongues and diving  
in ten thousand feet of baptismal water  
without a life preserver  
I believe like my bullet-ridden brother

out there somewhere RIGHT NOW  
Gurgling blood through his LAST BREATH  
Spitting out a red bright prayer  
So new, so sweet, so baby fresh  
So full of truth he thinks he can save his life!

God does not exist in desperation  
And Hope is lying dead, somewhere in the sewer  
down the street around the corner in the alley  
underneath the feet of somebody  
ITCHING SCRATCHING TREMBLING  
CHOSEN for that next heat and suckin somebody's  
dick!

Got two minutes y'all  
I got TWO MOTHERFUCKIN MINUTES  
before I run free or die, y'all!  
Two minutes...  
before I, smash my face into the grill of a Mack truck  
Before I get, ten thousand bricks shoved up my ass

Before I, RUN, FREE, OR, DIE!
