Growl to say
Your tone melliflous
Charming tales
Such desperation
Waiting for the sunrise
Your lies ablaze

No words to express my feeling
I don't run away but you do
So filthy
Your shame will swallow us all

This pain will seal us forever
It's me versus me you're too hard to defeat
This pain will seal us forever
Growing empty in her fall I hope

Growl to say
Your tone melliflous
Charming tales
Such desperation
Waiting for the sunrise
Your lies ablaze

No way I feel so greedy
But you where never afraid
Loneliness?
Your tears will swallow us all

This pain will seal us forever...
This pain will seal us forever
It's me versus me you're too hard to defeat
This pain will seal us forever
Growing empty in her fall I hope

It's too late...
I forgott your taste...

This pain will seal us forever
It's me versus me you're too hard to defeat
This pain will seal us forever

Growing empty in her fall I hope

Growl to say
Your tone melliflous
Harming tales
This night will last forever
