#### WHEN I GROW UP

When i was three years old I got up early once a week  
and stood outside in the cold  
When people would come  
up to me  
And asked what do you wanna be  
There wasn't  
any doubt in my mind  
When i grow up,  
when i grow up  
I'm gonna drive a garbage-truck  
Ok, it's not the most glamorous job in the world  
You  
drive around from street to street  
And pick up other  
people's dirt  
But one time when he came to our  
house  
He  
looked at me and smiled  
Oh man,  
garbage-truck driver  
won't you take me for a ride  
When  
i grow up, when i grow up  
I'm gonna drive a garbage-  
truck  
I never wanted to be a doctor  
I never wanted to practice  
law  
I never wanted to work in a harbor shop  
The only  
thing i wanted growing up  
Was to drive a garbage-truck
