Audiowhore, sucking on sound,
Sucking my voice, dragging me down.
Audiowhore, taking up my time.
Why can't you make up your mind?

Running on and on about nothing.
Sucking from a pump, but it fails to draw,
Do it so much, fill up the space you get,
Carry on the back of the ones who sets the pace

Audiowhore (3 times)

Audiowhore, sucking on sound,
Sucking my voice, dragging me down.

Audiowhore, taking up my time.
Why can't you make up your mind?

Audiowhore (3 times)
