Wrap a ribbon around your finger  
Someday you'll remember  
What it felt like in her arms

She could make you laugh  
She could make you cry  
Show you dark things deep inside

And I see it in your eyes  
And I see it in your eyes

The color of the sun  
The color of the sun  
The color of the sun in your eyes

I'm blinded by the obsession  
The heat of summer beckons  
Blue, green and red are the colors on the sidewalk

Outside the buildings echo  
The sound of the wind and I hear  
The sound of my heartbeat in my ears

And I see it in your eyes  
And I see it in your eyes

The color of the sun  
The color of the sun  
The color of the sun in your eyes

Wrap a ribbon around your finger  
Someday you'll remember  
What it felt like in her arms

And I see it in your eyes  
And I see it in your eyes

The color of the sun  
The color of the sun  
The color of the sun in your eyes  
In your eyes
