I'm wicked in the eyes of the world  
Everything nobody wants  
As low as low can get  
Everything I cannot stop

A glutton for everything misery can buy  
A heart that matches the soul  
There's all kinds of things money can buy  
Redemption is worth more than gold

I'm wicked in the eyes of the world  
Everything nobody wants  
As low as low can get  
Everything I cannot stop

I once had a habit that ran wild and free  
It wrapped its arms around me  
I once had a woman or she once had me  
Until I drove her away

I'm wicked in the eyes of the world  
Everything nobody wants  
As low as low can get  
Everything I cannot stop

Lord, won't You let me stay here awhile  
I'm tired and I can't recall  
The cause of all these bitter tears  
I'm left with no faith at all

I'm wicked in the eyes of the world  
Everything nobody wants  
As low as low can get  
Everything I cannot stop  
Everything I cannot stop

I'm wicked in the eyes of the world  
Everything nobody wants  
As low as low can get  
Everything I cannot stop

Everything I cannot stop

Everything I cannot stop
